Individual development guidance

ANIMATOR

Through VIBORG Business Development Center, you can book an individual development guidance by one of the centers entrepreneurial consultants. Together we will find the strengths and weaknesses in the plans for your start up.

DESIGNER

The guidance is **free**. The guidance session is done by appointment, and after the first meeting it can be supplemented with free advice from a wide range of professional advisors such as: Sales- and marketing people, lawyers, accountants and coaches a.o. who make themselves available to help get you started.

DRAWING

The personal meeting with an entrepreneurial mentor from Viborg Business Development Center is also the gateway to the many regional business support schemes. You can e.g. get support for getting advice to boost your start up.
